CHALLENGE CUP VII

Coming this September (Dates TBA)

Don't forget to enter the Challenge Cup
Funding Tourneys to benefit the
Challenge Cup Team

Win Great Prizes!

HANDICAP REGULATIONS: POSTING SCORES

1. Post your 18-hole and 9-hole scores for all eligible rounds, whether at Grover or away. Do so immediately after completing play if possible. Use the Handicap Score Book in the clubhouse. Do not withhold either unusually high or unusually low scores, unless the high score is occasioned by exceptionally poor course conditions or by a medical condition.
2. Enter a "T" with your score if the round was played as part of a tournament; league players, and others playing nine hole rounds should enter an "N" with their scores.
3. In reporting Away scores on the sheets provided for this purpose, include your name, the name of the course, the tees used, and both the rating and the slope from these tees. For new and/or out of town courses it is helpful if you also place your scorecard in the pocket of the handicap book.
4. Incomplete rounds: record as 18-hole scores if you have played at least 13 holes, as 9-hole scores if you played 7-8 holes. Take your score for each missing hole to be par plus the number of strokes to which your handicap would entitle you to. A 15 handicap player, for instance, would take a bogey on unplayed holes rated 1 through 15, a par on holes rated 16-18.
5. Incomplete holes: if you have "picked up" for any purpose, your score on the hole for handicap purposes is that which you are most likely to have made if you finished the hole. If you picked up on the green from one foot away, for example, assume that you would need one putt; from 12 feet assume two putts.
6. Equitable Stroke Control (ESC). For handicap purposes there is a maximum score you can record on any hole. This maximum depends on your handicap as follows:

Handicap	Maximum Score
9 or less	Double bogey
10 – 19	7
20 – 29	8
30 – 39	9
40 – 49	10
50 or above	11
No handicap available	11

In tournament rounds you should not apply ESC on your tournament card. Apply it only to your handicap score.

TOURNAMENT RULES

The following rules apply to all Buffalo Golf Club tournaments unless noted otherwise in the tournament information. Also refer to our Local Playing Rules for exceptions to the USGA Rules of Golf.

1. The handicap classes for all Tournaments and Sweeps are as follows:
Class A: 0-10
Class B: 11-17
Class C: 18 and up
2. Weekly Tournaments, including Sweeps, shall start on Wednesday and end at 4:00pm on Sunday (or Monday for designated holiday weekends)
3. Sign the appropriate registration book before you play in any event. Cards must be turned in on the day of entry. Cards will not be honored if the register book is improperly signed or cards are turned in late. Exception: The card may be turned in the next day if the clubhouse closes before the member finished the round.
4. Tournament and Sweeps cards must be attested by another member. In the case of a team event, their card must be attested by a club member who is not on the team.
5. When a player is entered in two events for the same round, separate cards, both properly identified and attested, are required.
6. Current handicaps apply in all competitive events, even though the tournament may have started during a previous handicap period.
7. A member may compete several times in the week's Sweeps, but is eligible for only one of the prizes awarded.
8. In special Tournaments such as the President's Cup, Harvest Cup, and any others, matches must be contested within the prescribed time or one or both players (teams) shall forfeit the contest or be disqualified. Top man (team) in pairing is responsible for arranging the time of the match. Circumstances preventing such match must be reported to the Tournament Chairman, whose decision on default or disqualification shall be final.
9. In cases of ties in weekly Tournaments and Sweeps, the winner shall be determined by matching cards beginning at the first hole and proceeding until a winner is determined; handicap holes will be applied hole by hole as in handicap match play.
10. In Tournaments where members play directly against each other, such as in the Club Championships, President's Cup, Harvest Cup, and others, and end up tied on the last hole, the players will continue in a "sudden death" playoff, with handicap strokes, if applicable, applied as in match play, hole by hole.
11. Any infringement of Tournament Rules, including failure to meet tournament commitments, USGA standards of courteous play, etc., are subject to penalty by the Tournament and Rules Committee.
12. All matters of dispute shall be referred to the Tournament and Rules Committee for final resolution.
13. The scores for all Tournaments and Sweeps must be submitted on BGC tournament cards (white-tournaments / green-sweeps) in the correct box. Cards that are deposited in the wrong box will be discarded. The adjusted scores must then be entered into the BGC handicap book.

LOCAL PLAYING RULES

The USGA Rules Of Golf and the Grover Cleveland Course Rules (as printed on the scorecard) are to be applied in membership play, except as modified by the following rules. Also refer to our Tournament Rules for additional rules in tournament play.

1. When "winter rules" are declared or announced in effect: A ball lying in your own fairway may be lifted and cleaned, without penalty, and placed within one club length of where it originally lay, not nearer the hole, and so as to preserve as nearly as possible the stance required to play the original lie.
2. Tractor or other equipment tracks, piles of grass or topsoil, and other spots obviously damaged and to be repaired, may, after consultation and agreement with playing members, be treated as "ground under repair." Apply USGA Rule 25.1.
3. Relief may be granted on paved or gravel cart paths that interfere with the stance or lie of the ball. Apply USGA Rule 25.1 without penalty.
4. If a staked tree or a tree less than five feet in height interferes with a player's stance or the area of his intended swing, the ball may be lifted without penalty and dropped in accordance with USGA Rule 24-2b(i), Immovable Obstruction. The point on the course nearest to where the ball lies shall be determined, which (a) is not nearer the hole, (b) avoids the interference prescribed, and (c) is not a hazard or a putting green. The player will lift, clean if desired, and drop his ball within one club length of the point on the ground that fulfills (a), (b), and (c), above.
5. The hazards defined by red stakes are to be played by the USGA Rules pertaining to lateral water hazards. There shall be no free drop for balls that come to rest in casual water or poor ground conditions within these hazards.
6. Anywhere "through the green", a ball which is embedded in its own pitch-mark in the ground, except in loose sand, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole. (See USGA Rule 20.) ("Through the green" is the whole area of the course except: a) teeing ground and putting green of the hole being played; b) all hazards on the course.) Exception: A player may not obtain relief under this Rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this Rule.
7. Ball in sand trap: Player may remove ball, smooth or rake sand, and replace ball on original position without penalty.
8. If casual water in a sand trap interferes with stance or swing (stroke), the following options, in sequence, are available: (1) Player may move the ball to nearest point of relief in the sand trap, no nearer the hole, without penalty; (2) If a position no nearer the hole is not available, then player may move the ball to a position of relief nearest to his ball, but in the sand trap, without penalty; (3) If no position is available in the sand trap, then the player may, under penalty of one stroke, select the nearest point of relief outside the trap, no nearer the hole, and drop his ball within one club length of that point (may be fairway or rough).
9. Temporary Green: One standard putter length to be measured with putter head in hole - add one stroke.
10. The fences and road curbs surrounding the course, the entry road (Holes 10 and 11), and any area of the parking lot are out-of-bounds. The wooden fences bordering the parking lot and interior roads are to be treated as immovable obstructions, not out of bounds markers.
11. Distance measuring devices, such as range finders and GPS devices, are permitted, provided that they comply with USGA stipulations requiring that they measure only distance, not other factors such as wind or gradient.
