HANDICAP REGULATIONS: POSTING SCORES

1. Post your 18-hole and 9-hole scores for all eligible rounds, whether at Grover or away. (**Playing alone is not eligible for handicap consideration.**) Do so immediately after completing play if possible. Use the Handicap Score Book in the clubhouse. Do not withhold either unusually high or unusually low scores, unless the high score is occasioned by exceptionally poor course conditions or by a medical condition.
2. Enter a "T" with your score if the round was played as part of a major tournament i.e. Qualifiers, Club Championship,; league players, and others playing nine hole rounds should enter an "n" with their scores. **Weekly competitions no longer require a "T"**
3. In reporting Away scores on the sheets provided for this purpose, include your name, the name of the course, the tees used, and both the rating and the slope from these tees. For new and/or out of town courses it is helpful if you also place your scorecard in the pocket of the handicap book.
4. Incomplete rounds: record as 18-hole scores if you have played at least 13 holes, as 9-hole scores if you played 7-8 holes. Take your score for each missing hole to be par plus the number of strokes to which your handicap would entitle you to. A 15 handicap player, for instance, would take a bogey on un-played holes rated 1 through 15, a par on holes rated 16-18. **Holes played alone must be treated as un-played holes for handicap scoring.**
5. Incomplete holes: if you have "picked up" for any purpose, your score on the hole for handicap purposes is that which you are most likely to have made if you finished the hole. If you picked up on the green from one foot away, for example, assume that you would need one putt; from 12 feet assume two putts.
6. Equitable Stroke Control (ESC). For handicap purposes there is a maximum score you can record on any hole. This maximum depends on your handicap as follows:

Handicap	Maximum Score
9 or less	Double bogey
10 – 19	7
20 – 29	8
30 – 39	9
40 – 49	10
50 or above	11
No handicap available	11

In tournament rounds you should not apply ESC on your tournament card. Apply it only to your handicap score.

TOURNAMENT RULES

The following rules apply to all Buffalo Golf Club Competitions unless noted otherwise in the tournament information. Also refer to our Local Playing Rules for exceptions to the USGA Rules of Golf.

1. The handicap classes for all Tournaments and Sweeps are as follows:
Class A: 0-10 Class B: 11-17 Class C: 18 and up
2. Weekly Competitions, including Sweeps, shall start on Wednesday and end at 4:00pm on Sunday (or Monday for designated holiday weekends)
3. Sign the appropriate registration book before you play in any EVENT. Cards must be turned in on the day of entry. Exception: The card may be turned in the next day if the clubhouse closes before the member finished the round.
4. Competitions and Sweeps cards must be attested by another member. In the case of a team EVENT, their card must be attested by a club member who is not on the team.
5. When a player is entered in two EVENTS for the same round, separate cards, both properly identified and attested, are required.
6. Current handicaps apply in all competitive EVENTS, even though the competitions may have started during a previous handicap period.
7. A member may compete several times in the week's sweeps, but is Eligible for only one of the prizes awarded.
8. In Certain Match Play Tournaments such as the President's Cup, Harvest Cup, and any others, matches must be contested within the prescribed time or one or both players (teams) shall forfeit the contest or be disqualified. Top man (team) in pairing is responsible for arranging the time of the match. Circumstances preventing such match must be reported to the Tournament Chairman, whose decision on default or disqualification shall be final.
9. In cases of ties in weekly competitions and Sweeps, the winner shall be determined by matching cards beginning at the number one handicap hole, then the number 2 handicap hole, and proceeding until a winner is determined.
10. In Tournaments where members play directly against each other, such as in the Club Championships, President's Cup, Harvest Cup, and others, and end up tied on the last hole, the players will continue in a "sudden death" playoff, with handicap strokes, if applicable, applied as in match play, hole by hole.
11. Disqualification will result if: you sign up for the same tournament more than once on different dates, dates that don't match (tournament book & scorecard), signing tournament book after starting the round, failure to have the card attested by another member and failure to record your tournament score in the score book.
12. All matters of dispute shall be referred to the Tournament and Rules Committee for final resolution.
13. The scores for all Competitions and Sweeps must be submitted on BGC tournament cards (white-tournaments / green-sweeps) in the correct box. Cards that are deposited in the wrong box will be discarded. The adjusted scores must be entered into the BGC handicap book.

LOCAL PLAYING RULES

The USGA Rules of Golf and the Grover Cleveland Course Rules (as printed on the scorecard) are to be applied in membership play, except as modified by the following rules. Also refer to our Tournament Rules for additional rules in tournament play.

1. When “winter rules” are declared or announced in effect: A ball lying in your own fairway may be lifted and cleaned, without penalty, and placed within one club length of where it originally lay, not nearer the hole, and so as to preserve as nearly as possible the stance required to play the original lie.
2. Tractor or other equipment tracks, piles of grass or topsoil, and other spots obviously damaged and to be repaired, may, after consultation and agreement with playing members, be treated as “ground under repair.” Apply USGA Rule 25.1.
3. Relief may be granted on paved or gravel cart paths that interfere with the stance or lie of the ball. Apply USGA Rule 25.1 without penalty.
4. If a staked tree or the stakes interferes with a player’s stance or the area of his intended swing, the ball may be lifted without penalty and dropped in accordance with USGA Rule 24-2b(i), Immovable Obstruction. The point on the course nearest to where the ball lies shall be determined, which (a) is not nearer the hole, (b) avoids the interference prescribed, and (c) is not a hazard or a putting green. The player will lift, clean if desired, and drop his ball within one club length of the point on the ground that fulfills (a), (b), and (c), above.
5. The hazards defined by red stakes are to be played by the USGA Rules pertaining to lateral water hazards. There shall be no free drop for balls that come to rest in casual water or poor ground conditions within these hazards.

LOCAL PLAYING RULES CONTINUED

6. Anywhere “through the green”, a ball which is embedded in its own pitch-mark in the ground, except in loose sand, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole. (See USGA Rule 20) (“Through the green” is the whole area of the course except: a) teeing ground and putting green of the hole being played; b) all hazards on the course.) Exception: A player may not obtain relief under this Rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this Rule.
7. If casual water in a sand trap interferes with stance or swing (stroke), the following options, in sequence, are available: (1) Player may move the ball to nearest point of full relief in the sand trap, no nearer the hole, without penalty; (2) If a position of full relief is not available, then player may move the ball to nearest point of partial relief in the sand trap, no nearer the hole, without penalty; (3) If no position of relief is available in the sand trap, then the player may play the ball as it lies or, under penalty of one stroke, select the nearest point of relief outside the trap, no nearer the hole, and drop his ball within one club length of that point (may be fairway or rough).
8. The fences and road curbs surrounding the course, the entry road (Holes 10 and 11), and any area of the parking lot are out-of-bounds. The wooden fences bordering the parking lot and interior roads are to be treated as immovable obstructions, not out of bounds markers.
9. Distance measuring devices, such as range finders and GPS devices, are permitted, provided that they comply with USGA stipulations requiring that they measure only distance, not other factors such as wind or gradient.

Upon finalization of all events, posters will be sent out to all BDGA clubs with detailed tournament information on them. Sign-ups for tournaments will begin approximately February 28. Please check the website (buffdga.org) regularly for more information. Also, if you send us your email address, we will add you to our mail list and send updates as they occur. Contact Mark Rydza, Executive Director, at rydzam@buffdga.org if there are any ideas, questions, suggestions, etc.

For WNYPLGA Schedule, Application, Tee-Times and Results

GO TO: wnypublinks.com

The Buffalo Golf Club is a member of the WNYPLGA. You are eligible to enter any/all of the above tournaments you qualify for by age. SENIOR tournaments are AGE 50+. The WNYPLGA classifies golfers as follows A flight 0-9 handicap B flight 10 and over C flight 16 and over. The BGC will sponsor (Pay the entry fee and Greens fees) for members to be selected by team captains Mike Bass and Joe Riccio. The Club will also support members to play in the Class C Individual Championship being played at Grover Cleveland. All tournaments are scratch. There are flights with tournaments so even though you play scratch you are not competing against all golfers, only those within your flight. As an example, the Senior Individual, depending on entries, may have flights for ages 50-59, 60-69, 70 and older. Each flight has prizes. Full entry forms can be found next to our clubhouse bulletin board. If you have any questions talk to Paul Andruczyk.
