HANDICAP REGULATIONS FOR POSTING SCORES UNDER THE WORLD HANDICAP SYSTEM

1. The handicap classes for all BGC Tournaments and Sweeps are as follows:
**Class A: 0-9 Class B: 10-16 Class C: 17
and over**
2. Post your 18-hole and 9-hole scores for all eligible rounds, whether at Grover or away. (Playing alone is not eligible for handicap consideration.) Do so immediately after completing play if possible. Use the GHIN Mobile app or GHIN.com website if possible, otherwise enter them into the **Handicap Score Book** in the clubhouse. Do not withhold unusually high or low scores, unless a high score is occasioned by a temporary medical condition. If you post your score online with the GHIN Mobile app or on GHIN.com it is not necessary to write it in the book. If you do, put a check mark next to your score so the handicap chairman knows he does not need to enter your score for you.
3. Enter a "C" (Competition) with your score if the round was played as part of a major tournament (Qualifiers, Club Championship, etc.) or a public tournament. Do not enter a "C" for regular weekly tournaments. If the senior/red tees were used, enter an "R" with your score. Members playing only nine holes (league or otherwise) should enter an "N" with their scores.

4. In reporting **Away** scores on the sheets provided for this purpose, include your name, the name of the course, the tees used, and both the rating and the slope from these tees. For new and/or out of town courses it is helpful if you also place your scorecard in the pocket of the handicap book. If you post your score online with the GHIN Mobile app or on GHIN.com, it is not necessary to write it in the book. If you do, put a check mark next to your score so the handicap chairman knows he does not need to enter your score for you.
5. Incomplete rounds: If you play less than 9 holes, the score is not eligible for handicap purposes. If you play between 10 and 17 holes, the round must be entered hole by hole, leaving unplayed holes blank. GHIN will determine a “score differential” for unplayed holes and calculate your expected scores for those holes. **Holes played alone must be treated as un-played holes for handicap scoring.** If you played an incomplete round and do not have access to the GHIN mobile app or GHIN.com, you should put your scorecard in the handicap book in the clubhouse with a note saying the score was not entered into GHIN.
6. Incomplete holes: if you have “picked up” for any purpose, your score on the hole for handicap purposes is that which you are most likely to have made if you finished the hole. Use your best judgement to determine your most likely score. If you picked up on the green from one foot away, for example, assume that you would need one putt; from 12 feet away, assume two putts. If you picked

up your ball before getting to the green, use your best judgement.

7. Maximum score per hole: **For handicap purposes** the maximum score you can record on any hole is **“Net Double Bogey”**. Net Double Bogey is calculated as Double Bogey for the hole plus the number of handicap strokes you are allowed on the hole. For example, a player with a handicap of 10 can post a maximum score of Double Bogey Plus 1 on holes rated 1 through 10 and Double Bogey on holes rated 11 through 18. Likewise, a player with a handicap of 22 can post a maximum score of Double Bogey Plus 2 on holes rated 1 through 4 and Double Bogey Plus 1 on holes rated 5 through 18. **If you enter hole-by-hole scores in GHIN, it will automatically apply the “Net Double Bogey” maximum for you!**

In tournament rounds, you should not apply the Net Double Bogey maximum hole score to your tournament card. Apply it only to your handicap score.

8. For more information or to learn more about the World Handicap System, visit [usga.org/whs](https://www.usga.org/whs)

BGC Tournament Rules

The following rules apply to all Buffalo Golf Club **Competitions** unless noted otherwise in the tournament information. Also refer to our Local Playing Rules for exceptions to the USGA Rules of Golf.

1. The handicap classes for all Tournaments and Sweeps are as follows: **Class A: 0-9** **Class B: 10-16** **Class C: 17 and over**
2. Weekly **Competitions**, including Sweeps, shall start on Wednesday and end at 4:00pm on Sunday (or Monday for designated holiday weekends)
3. The senior (red) tees may be used by members age 70 and up in handicap tournaments under the following conditions. (1) Members must inform the Tournament & Rules chairman before playing their first tournament of the season that they intend to use the senior/red tees. (2) Members must use their red tee handicap when playing from the red tees. (3) After a member begins using the senior/red tees, they may not change back to the white tees until the following season. (4) Scratch tournaments must be played from the white tees. (5) Members may play from either white or senior/red tees during non-tournament rounds but must accurately record the tees used for handicap purposes. (6) When playing tournaments where handicaps are allotted by hole, the handicaps shown on the BGC tournament cards

should be used, not the ones shown on the Grover public scorecards.

4. Sign the tournament registration book before you play in any EVENT. If a player decides not to play a tournament after signing the book, he must cross out his registration entry BEFORE making a stroke on the first hole.
5. When a player is entered in two or more EVENTS for the same round, separate cards, both properly identified and attested, are required.
6. The scores for all **Competitions** and Sweeps must be submitted on BGC tournament cards (white/blue/gold-tournaments; green-sweeps) in the correct box. Cards that are deposited in the wrong box will be discarded. The “Net Double Bogey” adjusted scores must be entered into GHIN or the BGC handicap book.
7. **Competitions** and Sweeps cards must be attested by another member. In the case of a two- or three-man team EVENT, their card must be attested by a club member who is not on the team. In the case of four-man team events, all members in the foursome must attest the card. Attested score cards must be turned in on the day of entry and include player’s handicap (except for scratch tournaments) and net tournament score.
8. Disqualification will result if: you sign up for the same tournament more than once on different dates (even if you were unable to complete the round on the first date), dates that don’t match (tournament book vs.

scorecard), signing tournament book after starting the round, failure to have the card attested by another member, failure to record your tournament score in the score book (or entered into GHIN), or playing from the wrong tees (white vs. senior/red tees).

9. Current handicaps apply in all competitive EVENTS, even though the competitions may have started during a previous handicap period. The handicap book in the clubhouse is the official source for handicaps and it overrides other handicaps (club website, GHIN website etc.) unless otherwise posted.
10. A member may compete several times in the week's sweeps but is eligible for only one of the prizes awarded.
11. After consultation with the USGA it has been ruled, that members are not allowed to compete in stroke play and match play tournaments during the same round as the two types of tournament formats have conflicting rules. This means that President's Cup, Harvest Cup, and Match Play Championship matches cannot be played concurrently with other tournaments (including sweeps).
12. **In Certain Match Play Tournaments** such as the President's Cup, Harvest Cup, and any others, matches must be contested within the prescribed time or one or both players (teams) shall forfeit the contest or be disqualified. A golfer (or team) with lower qualifying score is responsible for arranging the match, although their opponent(s) may arrange

the match upon mutual agreement. Circumstances preventing such match must be reported to the Tournament Chairman, whose decision on default or disqualification shall be final.

13. In the case of ties in weekly **competitions** and Sweeps, the winner shall be determined by matching cards beginning at the number one handicap hole, then the number 2 handicap hole, and proceeding until a winner is determined.
14. In Tournaments where members play directly against each other, such as in the Club Championships, President's Cup, Harvest Cup, and others, and end up tied on the last hole, the players will continue in a "sudden death" playoff, with handicap strokes, if applicable, applied as in match play, hole by hole unless noted otherwise in the tournament information.
15. All matters of dispute shall be referred to the Tournament and Rules Committee for final resolution.
16. Any member who qualifies for one of the Club's major tournaments or a public tournament where the fee is paid by the Club and withdraws less than 48 hours before the scheduled start of the tournament or after the tournament is in progress, shall be ineligible to compete in the same tournament the following year. However, the tournament committee is authorized to waive this penalty after reviewing the circumstances.

17. During the Club Championship competition, if a group finishes the round more than two holes behind the group in front and over 3 hours 45 minutes from their time of starting, all players in the group are subject to a penalty of two strokes. However, the tournament committee is authorized to waive this penalty for individual players or the entire group after reviewing the circumstances.

Local Playing Rules

The USGA Rules of Golf and the Grover Cleveland Course Rules (as printed on the scorecard) are to be applied in membership play, except as modified by the following rules. Also refer to our Tournament Rules for additional rules in tournament play.

1. When adverse conditions are declared and posted by the Tournament and Rules Committee, you may lift, clean, and replace your ball without penalty if it lies in your own fairway. You must mark the spot before lifting the ball (see USGA Rule 14.1) and the ball must be replaced on its original spot (see USGA Rule 14.2). If your ball lies in the general area, but not in your own fairway, you may lift, clean, and drop your ball without penalty. You must mark the spot before lifting the ball (see USGA Rule 14.1) and the ball must be dropped as close to its original spot as possible (See USGA Rule 14.3). Penalty for playing ball from a wrong place in breach of Local Rule: Two Strokes Under USGA Rule 14.7a.
2. Anywhere in the general area of the course, a player may take relief if his ball is embedded in its own pitch-mark. Your ball is embedded when it is in its own pitch-mark made as a result of your previous stroke and where part of the ball is below the level of the ground. Your ball does not necessarily have to touch soil to be embedded (for example, grass and loose impediments may be between your ball and the soil). (See USGA Rule 16.3 for additional details and the procedure for taking relief.)

3. Cracks in the ground in parts of the general area cut to fairway height or less are ground under repair. The player may take relief under Rule 16.1b, but interference does not exist if the crack only interferes with the player's stance.
4. At the player's option, dung from geese may be treated either as a loose impediment that may be removed under Rule 15.1, or ground under repair from which relief is allowed under Rule 16.1.
5. After consultation with your playing partners, old hole locations on the putting greens may be treated as Ground Under Repair if they are above or below the surrounding area by the thickness of an American quarter, and the problem cannot be easily remediated. Please proceed under USGA Rule 16.1d.
6. Tractor or other equipment tracks, piles of grass or topsoil, and other spots obviously damaged and to be repaired except in penalty areas, may, after consultation and agreement with playing members, be treated as "ground under repair." Apply USGA Rule 16.1.
7. If it is known or virtually certain that a player's ball hit a power line, telecommunications line, or pole supporting the lines during the play of hole number 9, the stroke does not count. The player must play a ball without penalty from where the previous stroke was made (see Rule 14.6 for what to do). Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: Two Strokes Under Rule 14.7a.

8. Relief may be granted on paved or gravel cart paths that interfere with the stance, area of intended swing, or lie of the ball. Apply USGA Rule 16.1 without penalty.
9. If abnormal ground conditions in a sand bunker (including temporary water) interfere with a player's stance, intended swing area, or lie of the ball, the player is entitled to relief as specified in USGA Rule 16.1c. If rakes are unavailable for use in the bunkers, abnormal ground conditions shall also include areas that you deem to be unplayable because they haven't been raked (e.g., a footprint or a disturbed area from previous play). Proceed under USGA Rule 16.1c. Areas of the bunker overgrown with weeds are not considered ground under repair. These areas are played the same as playing your ball out of the rough. The definition of a bunker states that "any growing or attached natural object inside the edge of a prepared area (such as grass, bushes or trees)" are not part of a bunker.
10. Staked trees are to be considered no play zones: If a player's ball lies anywhere on the course other than in a penalty area and it lies on or touches such a tree or its stakes, or such a tree or its stakes interferes with the player's stance or area of intended swing, the player must take relief under Rule 16.1f. If the ball lies in a penalty area, and interference to the player's stance or area of intended swing exists from such a tree or its stakes, the player must take relief either with penalty under Rule 17.1e or with free relief under Rule 17.1e(2). Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: Two Strokes Under Rule 14.7a.

11. The areas of the course defined by red stakes are to be played by the USGA Rules pertaining to red penalty areas. There shall be no free drop for balls that come to rest in temporary water or abnormal ground conditions within these penalty areas. See USGA Rule 17 for details.
12. After consultation and agreement with playing members, areas of the course where the grass has been allowed to grow to six inches in length or more are to be played as red penalty areas, whether or not they have been marked by red stakes. This includes but is not limited to the mound areas on holes 4, 9, and 10. It also includes areas outside the red stakes in marked penalty areas where the grass has been allowed to grow. You may take relief as defined in USGA Rule 17 "Penalty Areas". None of the unmarked areas shall be played as red penalty areas if the grass has been mowed to less than six inches in length. In order to take relief, it must be known or virtually certain that your ball came to rest in the penalty area, otherwise it must be played as a lost ball with stroke and distance relief as specified in USGA Rule 17.1c. This is especially important to keep in mind on the right side of hole 10 where the trees block your view of the long grass on and around the mounds.
13. Any fences and road curbs surrounding the course, as well as the entry road (Holes 10 and 11) and any area of the parking lot are out-of-bounds. Any fences bordering the parking lot and interior roads are to be treated as immovable obstructions, not boundary markers.

County Cup Tournament

July 20-21 (Tentative)

The County Cup is an interclub tournament between the Buffalo Golf Club and Elma Meadows Golf Club. Each club selects a team of 12 players (4 players in each of 3 divisions) based on handicap index on July 1st (9.9 and below, 10.0-17.9, and 18.0 and up). Because there is a significant difference in slope and rating between the two courses, divisions are determined by members' USGA handicap index rather than the club's home course handicap brackets. The four lowest handicap indexes in each division will be selected for the BGC team, with some discretion allowed by the team captain.

This is a two-day Ryder Cup type of event, with one day being a two-man team tournament and the other being an individual tournament. Each tournament format will be given to the teams prior to the tournament. The winning club retains the County Cup trophy in their trophy case until next year's tournament.

Challenge Cup Tournament

Dates September 14-15 (Tentative)

The Challenge Cup is an interclub tournament between the Buffalo Golf Club and South Park Golf Club. Each club selects a team of 12 players (4 players in each of 3 divisions). The BGC team consists of the Club Championship winner from each class, the Match Play Tournament winner from each class, and the two lowest handicap players from each class, with some discretion allowed by the team captain.

This is a two-day Ryder Cup type of event, with one day being a two-man team tournament and the other being an individual tournament. Each tournament format will be given to the teams prior to the tournament. The winning club retains the Challenge Cup trophy in their trophy case until next year's tournament.

Club Championship Qualifier

July 1 - July 21 @4PM

36 Hole "Scratch" Medal Play

(Two Rounds Must Be Played on Separate Days)

Senior division (70+) only plays one
qualifier round, (full handicap)

15 players in each division (including exemptions) qualify.

Handicaps on July 1st will determine A, B, or C class.

Previous champions have a three-year exemption from qualifying, if they are still in the same division that they won.

Qualifier deadline may be extended for players with extenuating circumstances if the field in their class is not full.

Ties for last qualifying spot will be resolved by an 18-hole play-in round.

The Wellington Pub

An advertisement for Bob & John's La Hacienda. The background is a close-up photograph of a pepperoni pizza. In the center, there is a green logo with gold scrollwork that reads "Bob & John's LA HACIENDA 1991-1992". To the right of the logo, the address "1545 Hertel Ave Buffalo, NY 14216" and phone number "(716) 836-5411" are listed. Below the phone number, the operating hours are given: "Sunday - Wednesday 11am-9pm" and "Thursday - Saturday 11am-10pm". At the bottom left of the ad, the text "Take-Out • Delivery • Dine-In • Catering" is displayed.

2024 WNY Public Links Tournament Information

The Buffalo Golf Club is a member of the WNYPLGA. You are eligible to enter any/all the above tournaments you qualify for by age. SENIOR tournaments are AGE 50+.

The WNYPLGA classifies golfers into handicap flights using their USGA handicap index, not their home course handicap. Each tournament has different cut-offs for handicap flights. Be sure to check the handicap information on the tournament application and literature carefully when entering a tournament.

The BGC will pay tournament \$10 entry fees for members for WNYPLGA tournaments held at Grover Cleveland. Members are responsible for their own green fees and cart fees even if the application says that these fees are included in the entry fee.

All tournaments are scratch. There are flights within tournaments so even though you play scratch you are not competing against all golfers, only those within your flight. As an example, the Senior Individual, depending on entries, may have flights for ages 50-59, 60-69, 70 and older. Each flight has prizes. Full entry forms can be found next to our clubhouse bulletin board. If you have any questions, contact John Barrett at 949-4261.
